

MACQUARIE

Corporate Operations Group

Corporate Operations Group (COG) supports our global business by bringing together specialist services in digital transformation and data, operations, human resources, business services, corporate strategy and the Macquarie Group Foundation.

Our teams

Business Services is responsible for the strategic direction and ongoing management of Corporate Real Estate, Group Procurement, Resilience and the Sydney Metro Martin Place project for Macquarie.

Corporate Strategy and Solutions collaborates with partners across Macquarie to solve their most important and complex problems to unlock value.

Central brings together Business Management, Operational Risk Management and Financial Planning and Analysis to effectively support the day-to-day management of the group.

Culture, Engagement and Communications partners with COG divisions to deliver culture initiatives, and with our global HR team to attract, engage and develop people. The division also manages staff communication and group-wide engagement activities.

Data is responsible for developing, maintaining, monitoring and advising on Macquarie Group's data management frameworks.

Digital is responsible for identifying and delivering on digital transformation opportunities. The team enables innovation through new ways of working, transforming existing services and delivering digital outcomes.

Human Resources is organized to support our people and is aligned to business groups, regions and centers of excellence.

Macquarie Group Foundation is the philanthropic arm of Macquarie, supporting employees in their efforts to provide financial assistance, volunteering and skills sharing to not-for-profit organizations.

Operations is comprised of two sub-divisions:

- Market Operations is responsible for providing business-aligned trade support services such as middle office, trade validation, trade documentation and settlement support to different business groups.
- HR Operations is responsible for providing group-wide support for Human Resources (HR) functions including global payroll, onboarding, HR Service Desk and mobility.
