

Macquarie Asset Management

Macquarie Asset Management (MAM) is a global asset manager that aims to invest to deliver positive impact for everyone. We are trusted by institutions, pension funds, governments and individuals to manage assets globally, investing responsibly to generate long-term value and drive positive outcomes in the communities in which we operate.

Our Teams

Private Markets specialises in infrastructure and green investments, real estate, agriculture and natural assets, asset finance and private credit. Sub-divisions include:

- **Real Assets** is a leader in alternative asset management worldwide, specializing in infrastructure, renewables and natural assets.
- **Real Estate** is a global real estate manager and investor with an extensive network across investment management, asset management and direct management.
- **Private Credit** connects institutional capital with opportunities in infrastructure, real estate and structured solutions.

Green Investment Group is a specialized green investor within Macquarie Asset Management, and a global leader in the development of companies, assets and technologies that will accelerate the global transition to net zero.

Client Solutions Group (CSG) are an integrated global distribution platform, providing clients with a single point of contact across all our Asset Management capabilities. CSG's broad remit extends across all Private Markets and Public Investments, including product development, raising capital into funds, separate mandates and co-investments, developing new client relationships and managing these relationships on an ongoing basis.

What is it like to work with us?

Depending on your team, you could be running performance analysis of fund assets through financial modeling, engaging in research projects, reviewing/approving asset acquisitions, working closely with other professional advisors, analyzing new transactions, managing existing products and developing new ones, as well as engaging with clients and other stakeholders.

What we offer

Our 9-week internship starts in June and provides:

- direct access to our senior leaders
- on-going performance development
- formal classroom learning paired with interactive and on-the-job real work experience
- opportunities to build your network through social events and community service projects
- a buddy to help you navigate the organization.

Interns are eligible to be fast-tracked to our full-time Graduate Program which provides even greater training and career development opportunities upon graduation.
